

FIAT PROFESSIONAL SCUDO ONYX

Sporty evolution of the mid-sized crew van

GUEST
Truck and Van

Offered in both Panel Van and six-seater Double Cab body styles, the **FIAT Professional Scudo Onyx** blends practicality with standout design. The Double Cab's commercial vehicle classification means it offers meaningful tax benefits over numerous double cab pick-ups.

DISTINCTIVE DESIGN

- Striking metallic Cinema Black paint
- Dynamic sports-style front splitter, side skirts, and rear bumper
- Bold rear spoiler with yellow accent
- 18-inch gloss black alloy wheels

PREMIUM INTERIOR

- Onyx-branded eco-leather upholstery
- Yellow & blue contrast stitching
- Perforated, scratch & chemical-resistant materials
- Heated driver's seat & steering wheel
- Dual-zone electronic climate control
- Keyless entry & start, wireless charging

POWERTRAIN OPTIONS

ELECTRIC VERSION

- 75kWh battery, 136 HP
- Up to 230 miles WLTP range

DIESEL VERSION

- 2.0L engine, 180 HP, 8-speed automatic

EXTERIOR

- Compact yet versatile for business use
- Superb comfort & load capacity
- Limited-edition model
- Designed for style, durability & practicality
