The advertisement features a collection of automotive parts including oil filters (one blue, one yellow), brake discs, a brake caliper, an alternator, and a headlight, arranged around a red commercial van. The van is shown from a front-three-quarter view. A red banner at the top right contains the main text, and another red banner at the bottom left contains the website URL. The PartsComm logo is in the bottom right corner.

PARTS FOR COMMERCIAL VEHICLES

# **MANAGED PARTS SERVICE**

We believe by using our tailored service we can drive down your costs by offering you parts at the best price while reducing the resource needed across your workshop or fleet, as we take the hassle out of parts identification and reordering. We can offer greater accuracy identifying the right part for the right vehicle or trailer, while building up a better understanding of your overall parts requirements.

By using Partscomm to manage your parts requirements we can add value to your business by:

- Ensuring you have the right parts in the right place
- Correct stocking levels are in place to ensure maximum operational efficiencies
- Identification of the right part for marque of vehicle
- Re-ordering process is handled seamlessly

How we make it happen:

- Initial customer visits to decide on the Imprest stock you require
- Implementation of Imprest stock into your business
- Fast moving stock managed/replenished daily or weekly depending on usage  
*(requirements sent to us by 5.00pm will be replenished next day on our own transport)*
- Dedicated account manager together with regular onsite visits
- Monthly special offers on accessories and consumables
